Key Strategic Appointments for Growth

London Technology
Consultancy Makes Strides
for Growth with Strategic
Appointments

Rapidly growing London technology consultancy [Panoptics](#) is making key plans for growth adding three new staff to its technical team. Ben Clarke, joins as Senior Deployment Engineer, Jason Mendonca is a Network Architect and Martin Riley has been appointed Infrastructure Support Specialist.

The company has grown rapidly since its formation 3 years ago. With contracts at The Brewery Venue, Earls Court & Olympia, [The Royal Opera House](#), Lords Cricket Ground and [House of Vans](#) to name a few, its reputation for excellence has earned Panoptics significant new business wins and is testament to its success.

Managing Director of Panoptics, Mark Brookbanks explains 'Ben, Jason and Martin have joined Panoptics at a pivotal point in the company's growth. Panoptics has expanded organically in the last 3 years and we are firmly focussed on expanding and developing our cloud and infrastructure business units. The new appointments are part of the company's ongoing strategy to recruit talented individuals to the business. We are looking to drive the business forward through the use of innovative technology and an environment where individuals flourish.'

With significant and varied technical experience between them, Ben, Jason and Martin also add to the company's Cisco, Microsoft, VMware, redhat, and Citrix skillset.

We're always available to discuss any IT Project and would welcome the opportunity to talk it through. Get in touch now and we're confident we will find the perfect solution for your business.
